

 **CRT 26**

MARCH 07 - MARCH 10, 2026
WASHINGTON HILTON | WASHINGTON, DC

PROSPECTUS

MISSION

CRT 2026 provides a compelling platform of education focused on Practice, Evidence, and Innovations in the field.

FORMAT

CRT 2026 is a live, in-person educational conference at the Washington Hilton Hotel in Washington, DC. Ron Waksman, MD, Course Chairman, looks forward to welcoming attendees with a compelling educational agenda, hands-on learning, and opportunities for in-person networking.

The CRT Exhibit & Learning Village will encompass a holistic approach to hands-on learning in the Learning Villages: Five Live Theaters, Symposia, Interactive Product Demonstrations, Innovation Presentations, Scientific Sessions, and an Abstract Reception.

TARGET AUDIENCE

Interventional, Clinical, and Heart Failure Cardiologists
Electrophysiologists
Interventional, Heart Failure, and Electrophysiology Cardiology Fellows
Imaging Specialists
Nurses
Technologists
Industry Professionals

COURSE FORMAT

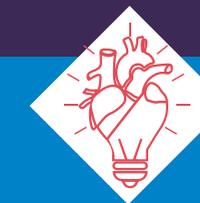

CRT EVIDENCE

Enjoy Late-Breaking Trials, Featured Clinical Science, and the Best Abstracts presenting the latest evidence designed to impact your practice.

CRT PRACTICE

Topics include 11 tracks of education and live and recorded cases designed to improve patient outcomes, presented by world-renowned practitioners.

CRT INNOVATION

Discover innovative technologies at Innovation Alley and participate in the Innovations Competition at CRT 2026.

UNIQUE FEATURES

CRT EXHIBIT & LEARNING VILLAGE

The heart of hands-on learning experiences will take place in the newly imagined CRT Exhibit & Learning Village.

CME ACCREDITATION

This course offers physicians *AMA PRA Category 1 Credit™* and ABIM MOC points.

CRT TV

A year-round virtual educational platform on Saturday mornings with 3 special sessions Spring, Fellows Boot Camp (July), and The Masters Course (Fall).

CREATE AN EDUCATIONAL FOOTPRINT

CASE PRESENTATIONS

Live Case Support - \$75,000

Throughout CRT 2026, live cases will highlight innovative clinical techniques and advances in technology. Live cases will be streamed to the conference from around the world.

Case in a Box - \$35,000

Present your prerecorded case at CRT highlighting medical devices. Case is integrated into the educational program, sponsor will be in complete control of case recording and faculty selection.

SYMPOSIA

Morning Symposia - \$30,000

Morning symposia will be held Sunday, March 8, and Monday, March 9.*

Power Break Symposia - \$65,000

Power Break midday symposia will be held on Saturday, March 7; Sunday, March 8; and Monday, March 9. *

Evening Symposia - \$80,000

Evening symposia will be held Saturday, March 7; Sunday, March 8; and Monday, March 9.*

*The symposia may be CME-certified or non-CME. Sole or co-sponsorship opportunity. Symposia have the option to be held in the CRT Exhibit & Learning Village to focus on hands-on learning.

APPLY TODAY!

Visit <https://portal.crtmeeting.org/industry/educational-opportunities> to submit your application.

SPECIAL EVENT SYMPOSIA

Women in Cardiology Summit

Roundtable - \$75,000 | **Live Case** - \$75,000

Morning Symposia - \$30,000 | **Power Break Symposia** - \$65,000

The Women in Cardiology Summit will provide an educational opportunity to discuss topics that specifically pertain to women practicing in interventional cardiology while providing ample opportunities to network with thought leaders in the field. Open to 100 women practicing interventional cardiology.

Women and Heart Symposium - \$75,000

Support this "must-attend" CRT symposium focused on the health of women. Sunday, March 8.

Disparities in Cardiology

Roundtable - \$75,000 | **Power Break Symposia** - \$65,000

Reception - \$50,000 | **Evening Symposia** - \$80,000

CRT is committed to discussion by a panel of experts on the impact of racial and gender disparities in interventional cardiology. Sponsor the Cardiology Disparities Roundtable and provide an educational opportunity to discuss topics that specifically pertain to Equity, Inclusion, and Diversity. Sunday, March 8.

Fellows and Early Career Leaders

Morning Symposia - \$30,000 | **Power Break Symposia** - \$65,000

Debate - \$15,000 | **Reception** - \$50,000 | **Evening Symposia** - \$80,000

CRT 2026 Fellows and Early Career Leaders programs provide education and networking with world-class thought leaders in the fields of interventional cardiology and endovascular medicine. Host a Fellows or Early Career Leaders educational symposium at CRT 2026.

INDUSTRY SPONSORSHIPS

CRT Learning Center - \$75,000

Set your company apart from the competition and invite attendees for a private experience in your own Learning Center. Create a “hands-on” learning experience including interactive simulations and models to improve technique. Promote next-gen development. (7 private Learning Centers accessible from the CRT Exhibit & Learning Village.)

CRT Innovation Alley Showcase - \$10,000

Showcase your new products in a high-traffic area at CRT. Each Showcase includes a table and two chairs as well as an optional monitor. Saturday, March 7; Sunday, March 8; and Monday, March 9.

Spotlight Session - \$35,000

Create the ultimate learning experience in a 60-minute session incorporating hands-on learning with didactic presentations. Position your company in a session in the Spotlight Theater or within an educational session.

* Spotlight Sessions are non-CME. Sessions within an educational session may be CME certified or Non CME.

Nurse and Tech Hands-On Practicum - \$20,000

Co-sponsor a hands-on experience with the latest technology presented after the Nurse and Tech Symposium in the Exhibit & Learning Village. Sunday, March 8.

CRT SPONSORSHIPS

Faculty Lounge - \$50,000

Create a comfortable retreat for CRT faculty to gather and prepare for their next presentation. Access to the Faculty Lounge for four company ambassadors. High visibility with company branding at entrance and within lounge.

CRT Abstract Café - \$50,000

Support scientific advancement by sponsoring the CRT 2026 Abstract Café. Abstract authors will showcase their projects while interacting with healthcare professionals. Sponsorship includes print ads in *Cardiovascular Revascularization Medicine* and on-site at CRT.

CRT Innovations - \$25,000

Support the presentations of the latest cardiovascular innovations. This highly attended juried contest showcases the latest technologies and concepts in interventional cardiology.

CRT Interesting Cases - \$50,000

Support the presentations of the latest interesting cases. Sponsorship includes digital ad in the on-site CRT Symposia and Exhibitor Guide.

CRT Practicum

Platinum Sponsorship \$50,000 - \$25,000

Gold Sponsorship - \$24,999 - \$20,000

Silver Sponsorship - \$19,999 - \$15,000

Bronze Sponsorship - \$14,999 - \$10,000

Join Fellows and Early Career Leaders as they participate in a hands-on Practicum including physician-lead hands-on learning. Sunday, March 8, and Monday March 9.

CONFERENCE SIGNAGE

Entryway Signage - \$50,000

Maximize your visibility with structural signage in the gateway to CRT Exhibit and Learning Village.

Window Clings - \$50,000

Sponsor the window clings either at the entrance of the Hilton and be the first impression for all CRT attendees or Lobby level in proximity to the escalator. Clings will be on entry doors to the lobby.

Elevator Clings - \$25,000 - \$50,000

One door on three levels - Three sponsorship opportunities on three levels.

Two doors on two levels - One sponsorship opportunity on two levels.

Escalator Clings - \$50,000 each or two for \$75,000

Capture your audience as they move around CRT. Two branding opportunities: Lobby to Exhibit and Learning Village/Registration level or Terrace to educational sessions level. Over 250 square feet of advertising.

Revolving Door Clings - \$25,000

Choose lobby level and registration level. Greet CRT attendees at the door with highly visible clings - 3 clings per door.

ON-SITE SPONSORSHIPS

Lanyards - \$50,000

Gain high visibility by exclusively sponsoring the CRT 2026 lanyard.

CRT Simulcast - \$35,000

Sponsor live case streams from the main arena, alternating with your product information and branding. Six TVs placed strategically throughout the conference.

Key Card Holder & Key Card - \$45,000

Make a first impression when attendees arrive at CRT with custom room key card holders that provide your message to every CRT attendee staying at the Washington Hilton Hotel.

ADVERTISING OPPORTUNITIES

DIGITAL

Symposia and Exhibitor Guide

Full-page ad - \$10,000

**Digital ad also included in CRT 2026 Mobile App*

CRTonline.org - Banner - \$40,000

Three-month ad displayed on the News Index and News Article pages of CRTonline.org.

Banner Ad on CRTmeeting.org - \$50,000

Banner ad six months prior to CRT 2026 on CRTmeeting.org. Attendees often return to CRTmeeting.org to register and keep up with agenda and meeting developments.

CRT Mobile App - \$60,000

This app helps conference attendees navigate CRT 2026 effectively with complete educational sessions schedule, timely exhibitor information, daily educational updates, and meeting special events and highlights. Sponsor can send up to two push notifications per day at CRT.

CRT Morning Edition - \$25,000

Featured banner ad on email sent to all CRT attendees each morning with highlights of the upcoming daily sessions.

CRT Wrap-Up - \$25,000

Featured banner ad on email summarizing the highlights of each day at CRT sent to all attendees and the entire CRT mailing list of over 50,000.

CardioTube Interview - \$7,500

Create a recorded interview at the Cardiotube booth with experts in the field. Each interview will be posted on CRTonline and CardioTube websites. A copy of the recording will be provided.

Wi-Fi - \$50,000

Increase visibility by becoming the official sponsor of the Wi-Fi access at CRT 2026. Sponsors will be featured with customized promotional ads and link.

Email - \$10,000

Reach the CRT community through targeted email communications to our subscriber database. Present a customized message on innovative product information or activities planned for CRT 2026.
